WELCOME TO ULTIMATE ALLSTARS BREVARD

We are so excited for you to potentially be part of our third season and cannot wait to create long lasting memories with all of our new families as well as our returning athletes.

At Ultimate Allstars Brevard we believe in more than just coaching athletes; we strive to create a family environment where our athletes can not only excel physically, but also be happy and thrive. Our coaching philosophy is centered around positivity, structure, upliftment, firm guidance, love, and positive mental health.

We understand the importance of empathy in coaching, recognizing that each athlete is unique and may face their own challenges. We are here to listen, understand, and support our athletes through their journey, celebrating their successes and guiding them through setbacks with compassion.

Together, we form a tight-knit community where every athlete is not just a team member but a valued part of our family. We believe that by creating a supportive and nurturing environment, we can empower our athletes to develop not only as players but as individuals.

Thank you for entrusting us with the privilege of coaching your children. We are dedicated to creating a space where they can flourish, find joy in their achievements, and grow both athletically and personally.

Here's to a season filled with growth, teamwork, and lots of success both on and off the floor!

* Request that an athlete enroll in additional classes to improve their skills.
* Add additional practices in the event that a team needs more preparation for an upcoming competition. This will always be done in as timely of a manner as possible and does not change any financial pricing already set in place.
