

ULTIMATE ALL STARS CHEER & DANCE BREVARD

SPONSORSHIP LETTER

Dear Prospective Sponsor,

The 2026/2027 Ultimate All Stars Cheer & Dance Brevard season is upon us and our athletes and coaches are beginning to prepare for another great season. Each year our program strives to be the best we can be.

We continue to build upon our experiences on and off the field each year and our program is built on traditions while instilling pride and values of discipline, respect, unity, and diversity. It's through this that our coaches emphasize and promote education, citizenship and respect for their coaches, teammates, opponents, and their community. The foundation of Ultimate All Stars Cheer & Dance Brevard promotes friendships and trust among the children which gives them a source of fun and camaraderie in their young years that will benefit them today, tomorrow, and for a lifetime to come. It is with the support of our great community and surrounding communities that we can truly achieve our goals for the 2026/2027 season.

This letter serves as a formal request for sponsorship for a talented athlete from Ultimate All Stars Cheer & Dance Brevard. Your generous sponsorship and support enable our athletes to acquire uniforms, apparel, cover facility fees, and competition costs, allowing them to dedicate themselves fully to training and performance without financial constraints.

Please contact Ultimate Allstars Cheer & Dance Brevard with any questions about sponsorships. Please make checks payable to Fit Sis LLC and place the sponsored athletes name in the notes section of the check.
